L'Acqua Viva, idyllically nestled in exuberant vegetation, bordering the extraordinary Nosara Coastal Forest Preserve & Wildlife Refuge, and within a short distance to spectacular beaches such as Guiones, Pelada, Nosara and Garza, considered as surfers' paradise.

The Hotel shows a very authentic architectonic style, which harmonizes with an exclusive decoration representing the fusion of diverse ethnic elements from around the world, creating a high end and comfortable atmosphere for enjoying the tropics. All spaces of the hotel will surprise the guests with carefully chosen art masterpieces, belonging to a private collection.

A Total of 32 units among individual bungalows and buildings, seem to be floating on the extense surrounding water mirrors, ponds and pools.

L'Acqua Viva -live water- is the element of Nature, which gives life to this Resort and appears again and again, with its freshness, its energy and its deepness, in every corner.

A sophisticate restaurant offers a trendy electric cuisine. The Lounge bar invites to chill out and from the open air terrace, the stars will make you fell in Heaven

A highlight at L'Acqua Viva is "Coral Creations", our amazing living Corals Garden, a unique attraction, featuring one of the most complete collections of

living corals, gathered from all our Planet's Oceans. It is scientifically supported by our professional laboratory, constantly investigating and reproducing corals, aiming the preservation of these astonishing underwater living creatures.

Live water will continue pampering the guests in this oasis, haven of peace. Get balanced at our holistic spa and beauty parlour. Flowing water and Nature will inspire you, while practicing meditation and yoga at a riverside. Dare to a full immersion in this live element at "Ocean Secrets", our scuba diving station, or practicing snorkelling, surf, and many other Watersports.

L'Acqua Viva, homage to life and water...
